

YOUR DONATION SAVES LIVES

Adopt a Cat is funded entirely through donations of money and gifts-in-kind from individuals and businesses in the community. Adopt a Cat is a 501C3 charitable organization and we do not receive any government funding. Please know that we rely on the generosity of individuals like you to help keep Adopt a Cat programs going. Every animal rescued has a story and your donation enables us to provide happy endings for many of the homeless animals in our community.

Won't you please consider making a tax-deductible contribution today?

The easiest way for you to help an animal in need is to make a safe secure online donation through Pay Pal. Just click the Donate button below and you're on your way.....

If you prefer, you can stop by the shelter with your donation, and visit with our kitties.

Or send us a check in the mail.

Or you can stop by our Thrift Store and make a donation.

Any amount is welcome and every penny makes a difference in the lives of homeless animals in our community.

If you have any questions about making a donation, please contact
Inga Hanley at 561-848-4911.

Here at Adopt a Cat we try to make the shelter a “home away from home” for each of the kitties in our care. For just pennies a day you can help keep a kitty happy and well-fed.

A FINAL ACT OF KINDNESS

Most people know how important it is to have a will. Once you have provided for the people you love, you may wish to consider a bequest to Adopt A Cat Foundation. Charitable bequests find a place in the wills of many who have planned to support our efforts beyond their lifetimes. A bequest to Adopt A Cat Foundation can be a flexible way to provide or to support a specific program.

If you plan to make a charitable gift by will, please think it through carefully. Learn more about planned giving, and meet with your attorney to discuss your options.
